(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

Dear Sir,

I am filing this petition for revival of application for Patent Abandoned Unavoidably under 37 CFR 1.137(a). I was hospitalized in Kaiser Medical Center, in March, 2005 for high blood pressure and excess water retention. ~~congestive heart failure~~. I was not able to work for the remainder of 2005 and advised not to do so at the request of my doctor. I work part time for Tutors of America (no child left behind) Tutoring children from grades 2-12<sup>th</sup>. I was not able to go to their homes one on one because of my condition. I was only permitted by my doctor to sit for short periods of time for fear of water retention which affected my blood pressure and mobility due to the swelling in my body. To compound things I was not able to address my mail effectively from my daughters home who was my caretaker. I also spent another week in St. Joes Hospital Jan 2006 for the same problem. Please accept my small entry fee and issue fee

(Please attach additional sheets if additional space is needed.)

TOTAL \$1250
